ANSYS SUBMISSION RELEASE FORM  
(incoming material)

1. ___________________________________________ ("Company"), doing business at: 
__________________________________________

grants to ANSYS, Inc., its subsidiaries, affiliates, channel partners, distributors, successors 
and assigns ("ANSYS") a non-exclusive, worldwide, perpetual and royalty-free license to 
reproduce, display, publish, distribute, use, modify and make derivatives of the Material 
described in paragraph 2, in whole or in part, individually or as part of a collective work, in 
any format, for the Authorized Purpose described in paragraph 3.

2. MATERIAL:
Describe Material, including titles and filenames. 
Attach or email applicable images, ppt, 
documents, etc. that go with this form.

Indicate attribution, if any, Company requires to 
appear with Material when used by ANSYS (e.g., 
"Courtesy of ACME, Inc."): 

If you do not want ANSYS to use an attribution, check here: ____

List the ANSYS employee/location you are working with on this release ________________

3. AUTHORIZED PURPOSE:
Unless otherwise indicated in the usage restrictions below, the Material and any derivatives may be used by ANSYS for any 
purpose including but not limited to: public relations, marketing, sales, case studies pitched to the media, brochures, advertising, 
direct mail campaigns, annual reports, and Web site content.

Indicate usage restrictions, if any:

4. Company has all rights to grant this license to ANSYS and the Material does not violate the copyrights or other rights of any third 
party. Alternatively, if a third party has any rights in the Material, then Company submits this Agreement with the following box 
completed in its entirety.

IF APPLICABLE:
THIRD PARTY APPROVAL: If submission of the Material to ANSYS requires approval from a third party, including one of your 
customers contracting the services of your organization on a consultative basis to generate models and/or perform simulations, then 
each third party must sign below indicating their agreement. Use additional forms if necessary.
