

## 3Dconnexion Devices Certification \*

### Release 2019 R3

\* Certification means that the 3Dconnexion products listed work as expected with the current release of the ANSYS applications listed below.

- Use of the most recent driver version is recommended for the listed operating systems.
- For help with ANSYS products, please contact your ANSYS support provider.
- For device support, see [www.3dconnexion.com](http://www.3dconnexion.com).
