

READ ME: How to print Materials Intelligence: the Card Game

Thank you for downloading Materials Intelligence: the Card Game. We hope that this resource helps inspire and engage your students in the classroom.

This zip file contains two versions of the cards: one for **A4 paper** and one for **Letter paper**. Please check which paper size your printer uses before printing.

Printer Setting Instructions

For **both paper sizes**, make sure the following settings are selected before printing:

1. Print on Both Sides
2. Flip on Short Edge
