g) The obligations of the parties respecting Other Confidential Information will survive for a period of three (3) years from the date of the first disclosure of such Other Confidential Information.

h) If the parties have separately entered into a mutual confidentiality agreement regarding the exchange of Other Confidential Information in connection with this Agreement, then the terms of that separate confidentiality agreement will govern the disclosure and use of Other Confidential Information between the parties and not this Section 5. Any existing confidentiality agreements between the parties will remain in full force and effect and will not be varied by the terms of this Section 5.

Otherwise, to the extent permitted by law, this Agreement will be governed by and interpreted in accordance with the laws of the Commonwealth of Pennsylvania excluding its conflicts of laws provisions and the United Nations Convention on the International Sale of Goods.

f) This Agreement and the applicable Schedule constitute the final, complete, and exclusive agreement and understanding between Licensor and Licensee with respect to the subject matter; and supersede all prior and contemporaneous agreements, oral or written, relating thereto. This Agreement supersedes the terms of any click-wrap, shrink-wrap, or break-the-seal license agreement included in any Program(s) package. Unless otherwise specifically specified on a Schedule, the terms and conditions contained in this License and Nondisclosure Agreement will take precedence over any conflicting provisions contained on a Schedule. If any provision of this Agreement shall for any reason be held illegal, invalid, or unenforceable, such provision shall be deemed separable from the remaining provisions of this Agreement and shall in no way, impair the validity or enforceability of the remaining provisions of this Agreement.
