

## 3Dconnexion Devices Certification \*

### Release 19.0

- \* Certification means that the 3Dconnexion products listed work as expected with the current release of the ANSYS applications listed below.
- Use of the most recent driver version is recommended for the listed operating systems.
- Technical Support for ANSYS, Inc. products is provided either by ANSYS, Inc. directly or by a certified ANSYS Support Provider.
- See your company's ANSYS Support Coordinator for more information, or at [www.ansys.com](http://www.ansys.com) select About ANSYS> Contacts and Locations.
- For device support, see [www.3dconnexion.com](http://www.3dconnexion.com).
